

GOOSENECK VINEYARDS®

Sauvignon Blanc

Taste

Gooseneck Vineyards Sauvignon Blanc is a juicy, true New Zealand style sauvignon blanc, set apart from the surrounded competitors by its elegance and multidimensional layers. Tantalizing banana and passion fruit aromas encapsulate the bouquet. Vivacious juicy stone fruits, fused with bursting notes of pink grapefruit on the pallet, bring a finish of dry elegance of sophistication.

Story

The vineyards are largely planted on the stony, free draining mid-Wairau Valley river flats. The vineyards are sustainably managed, and with the care given during the growing season produce some of the world's greatest sauvignon blanc wines.

The grapes are machine harvested and immediately pressed in the cool of the night. The juice is maintained at cool temperatures to ensure the aromatics are not lost. Cleared juice is then fermented to dryness at cool temperatures with specifically selected yeasts. Fresh, zesty, juicy and full, this fruit driven new world style wine will excite the senses without the racy overload. Tropical fruit with a fresh herbaceous character balanced with zesty passion fruit and a dry finish, this wine will take you straight back to the warmer summer days.

Complements

Gooseneck Vineyards Sauvignon Blanc is always sensational with fresh seafood and kale salads on summery days.
